**Are you a carer living in Oxfordshire providing support for 20 hours or more a week? Are you aged between 35 and 64?**

I am a DPhil student in the Social Policy Institute at the University of Oxford, carrying out a study of informal carers' attitudes to pensions and pensions planning. I'm looking for informal carers in Oxfordshire aged 35-64, who are providing 20 hours or more a week, who would be willing to be interviewed about their experiences of caring and their attitudes towards pension planning.

If you would like to take part, the interview should last for no longer than an hour, and can be arranged for a time and place to suit you.

If you would like to find out more, please contact me on 07515371010, or email me on [Sarah.Hutchinson@stx.ox.ac.uk](mailto:Sarah.Hutchinson@stx.ox.ac.uk).

Many thanks for your time.
