

ANOTHER SUCCESSFUL OASIS PLAYDAY

Over 60 OASIS members had a great morning at Vue Cinema, Oxford watching “Chicken Little”. This was a private viewing organised especially for members of OASIS, and of course OASIS members had the added advantage of a much reduced entry fee.

The sweet shop opened and rapidly sold sweets, popcorn and drinks to our excited children, and then it was off to get seated ready for the private viewing to begin.

It was lovely relaxed atmosphere and a few children felt more comfortable standing up and wandering around. Because of the excellent seating arrangements at the cinema, this didn't disturb anybody's viewing or enjoyment of the film. It was a pleasure to see everybody happy and joining in.

The film showing was organised to begin midmorning and was not too long, finishing in good time for lunch – if it was possible to eat again after all those treats!

One parent's comment afterwards was: ***“By the way, loved the Chicken Little viewing! Really easy at the Kassam multiplex getting there and parking. Very good indeed!”***

We'll definitely organize another cinema outing in the future. Don't forget to look on the website for other fun OASIS Playdays.
