

Dear OASIS Committee,

The highlight of Edward's half term was his trip to Legoland with OASIS. He'd been looking forward to it for weeks and was consequently dressed and ready to go by 6.30 on Thursday 25<sup>th</sup> October – breakfast was overlooked, as he was much too excited.

The coach left promptly at 9.00 and an hour later we arrived at Legoland to a chorus of cheers from all the passengers.

There were many rides to enjoy and thanks to a special Exit Pass, we included most of them. The Pass allowed everyone from OASIS to join the front of the queues, which made the day totally stress free and very special.

Edward loved sharing the day with his two friends. His favourite rides were Viking River Splash, where we got very wet and The Dragon where we went very fast. We had such a wonderful time in the park that there was only ten minutes for shopping at the end of the day.

The coach was remarkably silent on the way home – a party of happy but very tired children and grownups!

I'd like to thank the committee for working so tirelessly to give us all a magical day.
