Dear All,

We have had a busy year with well attended Playdays and evening talks. Our coffee and chat meetings are also proving to be popular ways for members to meet.

We used feedback from you to book new playday venues, guest speakers and buy books for the library. There are also some social skill workshops in the pipeline for this year and new 'stay and play' social opportunities for younger families. Your feedback is invaluable as it shapes what we plan for you all.

Please could you spare us 5 minutes to complete this questionnaire to send back with your renewal. This will help us understand what support you are looking for from OASIS and will help the committee plan for the forthcoming year.

Many thanks  
Rachel Dennett
