

Parent Support Group – based in Wallingford

**PACT Wallingford Children’s Centre and Autism Family Support
(Children in Touch) are pleased to announce a
new parent support group
for parents who have a child on the
Autism Spectrum
living in the Wallingford area**

The group will be facilitated by Family Support Workers Becky Loveless and Nikki Littleworth – but we encourage participation and ideas from parents. We aim for the group to be a place for parents to meet similar local families, share ideas, and benefit from talks on topics of interest.

Come along to our first meeting:

**Monday 5th September
7:30pm – 9:30pm**

**at Wallingford Children’s Centre (WCC)
8a Castle Street Wallingford OX10 8DL**

We aim to hold monthly meetings and alternate between evening and daytime meetings – future meetings are:

- **Monday 3rd October, 9:30AM – 11:30AM**
at The Ridgeway Church Wallingford
- **Monday 7th November, 7:30pm – 9:30pm, at WCC**
- **Monday 5th December, 9:30AM – 11:30AM**
at The Ridgeway Wallingford
